tertainment NO MORE FORECASTS. H. Bitgood Discontinues Valuable

Service After Twelve Years. E. Bitgeod announced Monday hat beginning with that day the disbe discontinued. This service has been maintained by the Bitgood store since October 1, 1899, and is now discontinued because of the fact that many of the forecast cards to persons in outlying districts do not reach them over the R. F. D. routes until the day after issue and are therefore valueless. In accord with the above, the telegraph weather reports and disay of weather flags are also dis-ontinued, but the daily meteorologial records will continue to be kept as in the past. Those interested in the weather predictions may secure the forecasts by calling for "Infor-mation" at the central telephone staion, where reports are received every

Trouble for Water Department. Frezen water mains are proving one of the chief troubles of householders on some streets in Danielson as well as for the water company people. High street was being dug up Monday to locate a frozen place in the main that runs through that thoroughfare. Supt. George O. Brown demonstrated with a tape measure that there is some frost in the ground when he measured the depth from a frozen main to the surface of the ground-4 feet 8 inches. This is the first winr in eight years that the water ompany has had trouble of this kind ad it is a peculiar circumstance that t did not develop until the intense old period had passed and mild veather had set in. Mr. Brown on mother street in the borough has ound frost reaching even deeper than he distance recorded above. Getdown to the frozen pipes is no mployes of the company are fac scavations must be made.
